**"Where Excellence Is
Expected"**

WE ARE HERE TO HELP.

OUR MISSION:

To effectively provide a motivating, safe, and trusting environment which empowers all students to become emotional/social, academic, and career-oriented citizens.

We strive to accomplish this mission by providing a variety of planned, purposeful, and sequential counseling and guidance activities that promote growth in all three domains.

OUR PROGRAM OFFERS:

- Personal guidance (including social, educational, vocational, and career)
- Advisement on course selection for all students
- Communication regarding credit recovery and summer school options
- Classroom Guidance (KUDER Navigator, Pre-College Planning, Registration)
- Review of student files, credits, and updates to student transcripts
- Parent/Teacher conferences
- Develop 504 Plans and inform teachers of plans and accommodations
- Informational meetings for parents and students
- Coordination of state and local standardized testing (Pre-ACT, ACT, PSAT, Scantron, WorkKeys, AP/IB Testing)
- Grade Level Progress Monitoring

Please note that school counselors do not provide “therapy” or “traditional counseling”. Referrals for outside counseling services are available for students who are experiencing problems and/or are in need of therapy.

High School Guidance Counselors attempt to help all students thrive in their daily environment. Your support and cooperation can help make your student’s school years a rewarding experience.

It is our hope that parents and students feel free to use our services. We look forward to working with you.
